21. The provisional booking should be followed up by the submission of a completed Notice of Interment (form supplied by Edlington Town Council) to the Cemetery Superintendent at least 72 working hours in advance of the intended date and time of the interment. Receipt of the fully and correctly completed Notice of Interment will act as confirmation of the provisional booking.

22. As much information relating to the interment as possible must be given to the Council in advance, especially if it is unusual, e.g. large number of mourners expected, motorbike cavalcade, jazz band, piper etc.

23. If the grave is purchased and is to be reopened for a further interment, the written permission of the registered grave owner must be given.

24. It is the responsibility of the person making the interment arrangements to ensure that any memorial on the grave is removed from it at least 48 working hours prior to the date and time of the funeral.

25. The Certificate given by the Registrar of Births and Deaths or an order of the Coroner must be delivered to the Council Offices prior to the funeral.

28. All interments will be subject to the control of the Council's designated officer, who will meet the cortege and direct it to the grave as appropriate.
